

Kartik Sood

Indian Contemporary Artist

Born: 1986

Lives and works between New Delhi and Vadodara, India

Karthik Sood started painting at a very young age. His finesse comes from his soul and his paintings depict an era of the past. Sood uses very subtle colours in his painting to portray his surroundings. His artworks are simple, yet very thought provoking. Simplicity perfectly defines the artist's demeanour. It was the power of his dreams, which helped Sood to create magic on canvas. Sood uses various mediums like camera, digital printing, watercolours, and oil paint, to captivate his fancy.
