

## Rohini Devasher

Indian Contemporary Artist

**Born** 1978, Delhi, India

Lives and works in New Delhi

**Introduction** Rohini Devasher's art explores and highlights the possibilities contained within the organic and inorganic elements of nature. Principles of growth, its rhythms, and patterns form the core of her primary artistic concern. Although Devasher works across different mediums, she significantly uses video feedback as a medium to explore the in-depth complexities that exists between art, science and fiction.
